

Rotary Club of Twin Falls Foundation, Inc.

Request for financial assistance

The Rotary Club of Twin Falls (Rotary) holds annual fundraisers each year so it may be able to offer assistance to non-profit organizations (501 C 3) that strive to improve the Twin Falls Community. Its focus is to provide funding for specific projects rather than an organization’s operating or travel or start-up expenses, events, donated funds, scholarships or sponsorships.

The following criteria are used to determine which projects it will fund:

1. Applicants must have a 501 C 3 designation and provide its EIN number;
2. Rotary provides funding for projects which will help multiple people or the community at large;
3. Funds must be used for projects which will improve the Twin Falls Community;
4. List other fund requests that have been submitted for the same project. Include who is funding the project, the amount requested, and when a decision to fund is expected;
5. Rotary funds must be used for a project to be completed in the near future. Funds cannot be used for already completed projects;
6. Organizations that have received funding in the past 15 months will not be considered for funding in this round;
7. If possible, please include acknowledgement of Rotary in any signage or promotion of this project. If a logo is needed, Rotary will provide one.

Rotary disperses funds from its two major fundraisers twice a year. Applications will be accepted between March 1 and March 31 from the Death By Chocolate funds and between September 1 and September 30 from the Ice Cream Funday funds. Disbursements are made within 60 days of the deadlines.

Name and EIN# of organization making the request: _____

Address of the organization making the request: _____

Name, phone number, and email address of contact person: _____

Enter the amount of funds you are requesting: \$ _____

Attach a budget showing all income sources and expenses for this project including written estimates of capital purchases, labor estimates and any in-kind support. Please show how the Rotary funds would be used. _____
